

Özge Selen DURAN, Ph.D

PERSONAL INFORMATION

Name	Özge Selen (KANSU) DURAN
Profession	Architect (Ph.D) Int. BREEAM Assessor
ORCHID	0000-0003-1542-5557
Year of Birth	1978
Nationality	Turkish
Contact	Alacaatlı, Ankara (0530) 953 0101 skd@selenkansuduran.com
Memberships	Chamber of Architects, Section of UIA in Turkey, METU Alumni Assoc., TED Ankara College Alumni Assoc.

KEY QUALIFICATIONS

- **Project Development & Design Process Management**
 - Multi-disciplinary project and process management: cross disciplinary data exchanges, schedule and information flow management, design communication, project delivery methodologies
 - Feasibility & market research analysis: Feasibility studies, investment & market research due to time & cost efficiencies.
 - Proposal and tender process managements
 - Contract & conciliation management: customer relations, documentation, reporting & recording & contract execution (costs, LOP & bidding process management)
 - Project Design: Contribution & effective process management to all phases of design from conceptual design to construction design& till tender processes
 - Tender Documentation: Execution of tender documents arrangements comprising BOQ's and Technical Specifications for the designed projects.
 - Team management: Project team & work schedules organization and efficient synchronization for many simultaneously ongoing projects, determination of the deliverables & scope of works due to hierarchical organization of the team.
- **Architectural / Multidisciplinary Building Design**
 - Architect specializing in various architectural projects, particularly MXD's, Hotel & Touristic Structures, University Campus Masterplan Designs, R & D Centers and the design of other public & private structures (including Culture & Congress Centers, Shopping & Entertainment Centers as well as Business Plazas) with the architectural team.
 - Coordination and Management of multidisciplinary international design teams and environment in complex building designs
 - Phases involved are:
 - Masterplan Development
 - Schematic Design and Concept Design Development
 - Detailed Design Development
 - Construction Drawings
 - BOQ & Specifications

- **International BREEAM Assessor , Environmental Technologies and Sustainability Consultant**
 - Qualified and certified International BREEAM Assessor in the assessment of all types & scales of buildings everywhere outside of UK. (including all Europe and Gulf Regions) *(where BREEAM, BRE Environmental Assessment Method is a leading certification system accepted in all around the world for the evaluation of an environmental friendly building)*
 -
- **Student supervision, career consultancy , coaching and mentorship**
 - Development of appropriate and potential career paths for students
 - Supervision on motivation letters and/ or letter of interests , portfolios and other requirements for applications
 - Coordinating internships and/or professional practices after graduation
 - Career consultancy from the graduation through senior ship work practices
- **Author**
 - **“Sustainable Design Process Management- New Approaches to Building Design Development Processes”**, September 2025, ISBN: 9798264589904 Amazon Direct Publishing, e-book and Paperback , <https://amzn.eu/d/5cjkKPL>
 - **“Sürdürülebilir Tasarım Süreç Yönetimi- Yapı tasarım Süreçlerinde Yeni Yaklaşımlar”**; Gazi Yayınevi ,September 2025, ISBN: 9786255816658, <https://www.gazikitabevi.com.tr/surdurulebilir-tasarim-surec-yonetimi-yapi-tasarim-sureclerinde-yeni-yaklasimlar>

EDUCATION

PhD	2022 METU Faculty of Architecture, Department of Architecture, Ankara “Re-understanding Multidisciplinary Building Design Processes Towards the Concept of Sustainability: A Multi-Layered Design Approach.”
MSc.	2001 METU Faculty of Architecture, Department of Architecture, Ankara “A Study of the Evolution of a New Urban Development Form: Mixed-Used Developments.”
BSc.	1999 METU Faculty of Architecture, Department of Architecture, Ankara (department graduation degree: 3rd rank)
High-School	1995 TED Ankara College, Ankara (Graduation degree: 8 th rank)

ACADEMIC EXPERIENCE

More than 20 years of experience in the professional practice of Building Design field has been reflected on a serious of academic experiences for the last 10 years. Especially the outcomes & know-how of project / building design development, sustainable process management and total project management experiences in multidisciplinary architectural design processes have been converted and adapted to be executed and presented in many seminars, lectures and courses.

These interactions and contributions in the academic domain can be perceived as to be concentrated on three major domains.

1. Courses & Lectures

1.1. Architectural Design Studio Instructor and Coordinator:

- Instructor At Architectural Design Studio (since 2016 -continuing) instructor and coordinator of 3rd year Architectural Design Studios III and IV, in IDV BILKENT University, Faculty of Art Design & Architecture, Department of Architecture (ARCH 301 & ARCH 302)
- Instructor at Architectural Design Studio between years (2015 - 2019) part-time instructor at 3rd year Architectural Design studio in ATILIM University, Faculty of Art Design & Architecture (MMR 301 & MMR 302)
- Participation in Design Studio Juries (since 2010- continuing):
 - Bilkent University, FADA, Department of Architecture
 - METU, Faculty of Architecture, Department of Architecture
 - TEDU, Department of Architecture
 - Eskişehir Osmangazi University, Department of Architecture
 - Atılım University, Department of Architecture

1.2. Multidisciplinary Integrated Design Processes and Project Management Courses_ Coordinator & Instructor

- Coordinator and Instructor of the course ARCH 418_Professional Practice at Bilkent University FADA, Dept. of Arch. (since 2018- still)
- Coordinator and Instructor and the Course ARCH 428_Integrated Design Management at Bilkent University FADA, Dept. of Arch. (since 2020- still)
- Instructor of the Course ARCH 440 _Special topics in architecture- Multidisciplinary Design Process Management” at Bilkent University FADA, Dept. of Arch. (Spring Semester of 2019)
- Instructor of the course MMR 494_Multidisciplinary Projects Management at Atılım University (during of 2017 and 2019 Spring Semesters)

1.3. Building Construction and Materials Courses_ Coordinator & Instructor

- Coordinator of the course ARCH 252 Construction and Materials (2026 Spring Semester)
- Coordinator and Instructor of the course ARCH 251_Architectural Building Systems at Bilkent University FADA, Dept. of Arch. (2022-2023 Fall Semester, 2023-2024 Fall Semester)
- Coordinator and Instructor of the course ARCH 252_Construction and Materials at Bilkent University FADA, Dept. of Arch. (2022-2023 Spring Semester, 2023-2024 Spring Semester)

1.4. Environmental Technology Course_ Coordinator & Instructor

- Coordinator and Instructor of the course ARCH 342_Environmental Technology at Bilkent University FADA, Dept. of Arch. (2025 & 2026 Spring Semesters)

1.5. Architectural Design / Project Management Seminars _Lecturer:

- Guest Lecturer at BILKENT / BA- MAN Project Management Course “Project /Process Management in Multidisciplinary Building Design Developments” (2022, 2023 & 2024 Spring Semesters)
- Guest Lecturer at BILKENT/ ARCH 514 “Rethinking Sustainability in Different Dimensions” Spring 2024
- Guest Lecturer at METU / ARCH 401 Public Lecture “Multidisciplinary sustainability for Resilient Urban Contexts” Fall 2024
- Guest Lecturer at IEU/ Arch 452 Applied Workshop _since 2016 – continuing, each fall semester

- Guest Lecturer at METU / Arch 452 Professional Practice_2014
- Guest Lecturer at Başkent Univ./ Arch 443 Physical Environmental Control _2016
- Guest at Design Talks by MIKIZ 2020,
https://www.youtube.com/live/gJkX6_e53U?si=TrKhMIMuZNYxhBU

1.6. 'Sustainable & Environmental Friendly Building Design & Certification' Seminars (since 2010): " BREEAM vs. LEED"

- Çankaya University_ Dept. of Interior Design _20120508
- ESOGÜ_Osmangazi University_ Dept. of Architecture _20120329
- BÜ_Başkent University_ Dept. of Architecture _20160304

2. Congress / Conference

- 2.1. Paper submission and Presentation at '9th International Conference on New Trends in Architecture and Interior Design - 9th ICNTAD'23' "Re-Understanding The Multi Layered Process of Building Design Development Through The Concept Of Sustainability", Skopje, North Macedonia, 19-21 May 2023/ (Published in the proceedings , 75-83)
- 2.2. Paper submission and Presentation at LIVENARCH VII_7th International Congress (28-30 September 2021_ KTU, Trabzon) co-writer with Tanverdi, B & Yılmaz, F. "Architectural Education Beyond The Borders Of Other(s): A Proposal for Transitive Workshops As Expansive Integrative Educational Mediums"
- 2.3. Paper submission and Presentation at 6th International Project and Construction Management Conference_ IPCMC 2020 (virtual / 12-14 November 2020_ITU, İstanbul) "Re-thinking Design Management"
- 2.4. Paper submission and Presentation at '5th International Project And Construction Management Conference- IPCMC2018' (16-18 Nov. 2018 _Cyprus International Univ. -/ Northern Cyprus) "Challenges and Complexity In Multidisciplinary Projects' Process Management"
- 2.5. Award winning Paper submission and presentation at 'Project And Construction Management Conference' (3-5 Nov. 2016 _Anadolu Univ./ Eskişehir) " a New And Innovated Integrated Project Delivery Model In Project Processes"
"Best paper award"
- 2.6. Paper Submission and presentation at 'Project Management Conference With International Participation' (19-20 Sep. 2014 _ITU / İstanbul) : "Process and Knowledge Management Models in Architectural Design and Project Management"
- 2.7. Paper submission and Presentation at 'Project and Construction Management Conference' (6-8 Nov. 2014 _Akdeniz Univ./ Antalya) "Process Management Models to be utilized in Architectural Design Management"

3. Workshops

As a co-founder of the Non-profit organization of "archiPRact", a series of workshops have been held in different universities in Turkey with students of Faculties of Architecture and Interior Design.

aim_ to create awareness about the multi layered and multidisciplinary dynamic process of design management

method_ active role-playing and simulations in different positions / perspectives within the process of design in full synchronized collaboration.

structure_ a dynamic-participatory and interactive learning through: active work reverse engineering- analysis-decomposing – restructuring

- 3.1. Yaşar University _ Spring 2025 – a one- day of a workshop with an attendance of app. 100 Interior Design Students to simulate real-life design practices in multidisciplinary design development environments
- 3.2. Yaşar University _ Spring 2019 – a one- day of a workshop with an attendance of app 100 Interior Design Students
- 3.3. Medipol University _ Spring 2019 - a half- day of workshop a one- day of a workshop with an attendance of app 50 Architecture Students

PROFESSIONAL EXPERIENCE-OFFICE REFERENCE

A total of 25 years of experience (4 years professional practice of architectural design in various firms, 10 years of owner / partnership & 10 years of professional practice as a general coordinator)

Design Process Management has been performed professionally since 2003 for a considerably large number of successful projects in different contexts, scales and typologies most of which are executed by international project teams and having unique and critical construction criteria.

The detailed information and portfolio completed until today can be presented upon request. However in general MXD, Residence & Housing Projects and University Masterplans & Education Building Designs as well as some awarded Cultural Centers and Museum Buildings can be given as major examples of experience for the AEC projects coordinated, managed and/ or designed.

2012 -2019	ÖNCÜOĞLU +ACP ARCHITECTURE General Coordinator BREEAM Energy Efficiency Consultant
2011 to 2012	YPU YAPI PROJE UYGULAMA Manager/ Business Development Energy Efficiency Consultant
2006 to 2010	YPM YAPI PROJE ARCHITECTURE Managing Partner
2004 to 2006	YPM YAPI PROJE ARCHITECTURE Senior Architect
